All Insurance matters from Statehood, 1889 until 1909 were handled by the State Auditor's Office: Chapter 12 Session Laws Eleventh Legislative Assembly 1909, Approved February 13, 1909, created the office of Commissioner of Insurance and a Department of Insurance was formed.

Annual reports on Insurance were prepared and published by the State Auditor for the years 1906, 1907 and 1908 and by the Insurance Department since that time.

April 9, 1888, seems to be the first record of a Fire Insurance Company being formally admitted to Montana, then a Territory; the Fire Association of Philadelphia holds this honor.

The Northwest Mutual Life Ins. Co., Milwaukee, Wis., was admitted March 27, 1882, which is the first recorded date of admission of a Life Company.

UNAUTHORIZED INSURANCE

In a further effort to curb the purchase of insurance in companies not licensed to transact business in this State, the following card was sent the press of the State in 1931.

GEO. P. PORTER

State Auditor and Commissioner of Insurance

States

REASONS WHY INSURANCE BY COMPANIES LICENSED IN MONTANA IS PREFERABLE TO INSURANCE OF COMPANIES NOT LICENSED IN THE STATE.

Non-admitted companies do not pay any fees and taxes into the State of Montana for doing business therein.

The Insurance Department of this State has no supervision over their operations.

The policies of the company are not reviewed in any way by the Insurance Department of the State of Montana.

Not being permitted to have agents in Montana, they have no facilities for the prompt adjustment of their claims, such adjustment having to be made entirely through the mails.

This Department has no jurisdiction and could be of no assistance whatsoever to the insured in case there was a dispute over the settlement of a claim.

Not being legally admitted to Montana, action in State Courts cannot be instituted against the company.

Ordinary claims under a policy such as these companies issue are not of sufficient amount to be carried into the Federal Courts.

An insurance company duly licensed has duly licensed agents within the State.

REMEMBER—when buying insurance you get just what you pay for. Cheap policies are limited in scope and contract. Example: You do not get a $1000.00 automobile for $100.00. This holds good in all things.
